

**Public Notice**  
**Clermont Historic Preservation Commission**  
*Applications end 3/16/26*

The Clermont Historic Preservation Commission, a City Commission composed of 5 Clermont citizens, is holding elections for one vacancy.

As a Commission we work with the City and other local organizations on preservation and planning projects. We ensure that the City retains its status as a Certified Local Government in Iowa Preservation. That status opens up preservation grant opportunities for the City and its residents.

We only meet about three times a year or so, and work on a couple small projects a year.

If you, or someone you know are interested in applying for the Commission please email us at **[ClermontHistoricPreservation@gmail.com](mailto:ClermontHistoricPreservation@gmail.com)**.

Thank you!

Hannah Frederick

Clermont Historic Preservation Commission Chair
